Highest Quality English Needles

## Specialty English Beading Needles

Packed and inspected in England using needles made in China to European quality and specification.

### #28 Long Eye Beading Tapestry Needles

Recommended by Jill Oxton for bead work. Sold by the box of one dozen retail-ready blister packages (4 per pack).

Item #	Description	Qty
1) BN280	#28 Long Eye Tapestry Needle - 4 Needles/Card	Box/12

### #10 and #12 Blunt Tip Bead Embroidery Needles

Ideal for right angle weave—the blunt tips will not fray threads as they pass. Sold by the box of one dozen retail-ready blister packages (4 per pack, 2 of each size).

Item #	Description	Qty
2) BN1012	#10/12 Bead Embroidery Needle - 4 Needles/Card	Box/12

## Sharps

Similar to English beading needles, only shorter and the perfect length for beading edges and tight areas. Referred to as “shorts”. Sharp needles are “all purpose” needles, used for mending, general hand sewing, embroidery & even applique. John James needles are known for their very fine quality. Packed & inspected in England using needles made in China to European quality & specification. Sold by the box of one dozen retail-ready blister packages and by bulk packs of 25 pieces.

Item #	Description	Qty
3) SH104	#10 Sharps Needle, 20 Needles/Card	Box of 12 Cards
